Dear Non-Profit Grant Applicant:

The Finishing Contractors Association of Illinois (FCAI), Central Chapter, is proud to announce it will again offer grants to assist central Illinois social service agencies and non-profit organizations through the *Community Care Project*.

Each year, FCAI donates money collected from its union membership to community non-profit groups. In 2008, it launched the *Community Care Project* to award grants to deserving social service agencies and non-profit organizations. The FCAI continued the grant program in 2009. In 2010 the FCAI will—through this same program—award up to \$20,000 in grants.

Grant requests will be accepted from organizations in Peoria, Tazewell, Woodford, and McLean counties. Grant requests should be limited to projects or purchases related to building upgrades or restoration, maintenance projects, equipment replacement, or educational needs. It is preferred that projects utilize union contractors and workers. Non-profit agencies must be established under the 501(c)3 status.

Grants can be applied for using the grant request form on the second page of this PDF. You will be able to type directly into the grant request form PDF for short answers. If you wish to attach additional supporting materials, you may do so.

Grant Applications should be received and/or postmarked by May 31, 2010.

The forms can be emailed to [cshay@dba-designteam.com](mailto:cshay@dba-designteam.com)
